

KP.06503.009

Technical Information

Device Supported	Tablet PC
------------------	-----------

Device Supported	Notebook
------------------	----------

Power Description

Input Voltage	120 V AC
---------------	----------

Output Voltage	19 V DC
----------------	---------

Maximum Output Power	65 W
----------------------	------

Maximum Output Current	3.42 A
------------------------	--------

Physical Characteristics

Width	22 mm
-------	-------

Weight (Approximate)	206 g
----------------------	-------

Miscellaneous

	Acer Products:
	Tablet Iconia W700
