Where to Buy

3.5 MM AUDIO + POWER

The 3.5 mm Audio + Charge RockStar allows you to use your headphones while charging your iPhone. Just connect your 3.5 mm headphones, speakers, or AUX cable (aka AUX cord) to enjoy music or talk hands free, while you charge. Use the 3.5 mm RockStar at home, at work, in the car, or on the go.

Works with:

Any Apple device that runs iOS 9 or later

MFi-certified Lightning to USB cables

3.5 mm Headphones, speakers, and other audio devices that connect via your 3.5 mm headphone jack or AUX cable (aka AUX cord)

THE BELKIN DIFFERENCE

Pioneer in technology and innovation for over 30 years

Power your iPhone and listen to music at the same time

One-of-a-kind design provides optimal charging and uncompromised audio

Supports syncing data to your laptop

Made for iPhone (MFi certified) and designed to meet Apple specifications

DUAL FUNCTIONALITY

Pass-through charging powers up your iOS device at maximum speed. So whether you're listening to music, watching videos, using audio navigation, or taking calls while you charge, there's nothing slowing you down.*

*Supports one 3.5 mm cable and one Lightning cable only

UNCOMPROMISED AUDIO QUALITY

Get more out of your iPhone listening experience. The 3.5 mm Audio + Charge RockStar is certified to meet Apple specifications, and uniquely designed to ensure clear and crisp audio.

"MADE FOR iPhone"

"Made for iPhone" means that an electronic accessory has been designed to connect specifically to iPhone, and has been certified by the developer to meet Apple specifications.

Made for iPhone

2-YEAR LIMITED WARRANTY

The 3.5 mm Audio + Charge RockStar is protected by a Belkin 2-Year Limited Warranty. Belkin International, Inc. ("Belkin") warrants to the original purchaser of this Belkin product that the product shall be free of defects in design, assembly, material, or workmanship up to 2-years.

[See more warranty information.](#)
