PS1002 Features

- Provides 12-VDC power out put.
- This optional power supply works in place of interface power in many interface powered converters.
- Use when the interface provides insufficient power.

Warranty

Extended Double Diamond™ Warranty Available (3 Additional Year)

Double Diamond™ Warranty (Standard)

Take the risk out of equipment purchases with the Double Diamond™ Warranty from Black Box Network Services.

The Double Diamond Warranty is our warranty that protects your Black Box® brand products* from accidental damage, including drops, water, and power surges.

The 120 VAC/12 VDC 100 MA W/ POWER JACK comes with a standard 1 Year warranty already included.

During the warranty period, Black Box Network Services will repair or replace your damaged equipment within one week of receipt at NO CHARGE!*

Plus, get an Extended Double Diamond Warranty.

You can also extend your warranty or protect a previously purchased Black Box® brand product** for an additional year—for only 10% of the purchase price! Or, extend your coverage for a full three years for only 20% of the purchase price!

Ordering an extended warranty is easy: When viewing a product in your shopping cart, just select the one or three years of additional coverage in the dropdown menu under "Warranty Options." For details, contact Customer Service at 724-746-5500.

* Warranty subject to certain [exclusions and limitations](#) ** Certain products may not be eligible.

What's more, we also have a 45-day return policy. Simply call Customer Service for a Return Authorization (RA) number, return your product in new condition and in the original package, and receive a full refund.
