K 10 A - 5

Released in 1985

Production discontinued (May 31, 2005)

Free compensation period 2 years

[Catalog \(including outline drawing\)](#) [Instructions](#)[Features](#)[Nomenclature method and option](#)[Specification \(Overview\)](#)[Download various documents](#)

Features of K10A-5

Nomenclature method and product option

K ⁽¹⁾ 10 A ⁽²⁾ □ ⁽³⁾ - 5 ⁽⁴⁾ - □ ⁽⁵⁾

(1) Series name

(2) Rated output power

(3) Safety standard

(UL, CSA approved product: U)

(4) Rated output voltage

(5) Option

J: Connector type

N: With case cover

item		specification
Input voltage		-
output	Power	10.0 W
	Voltage and current	5 V 2.0 A
	Voltage variable range	-
Accessory function	Overcurrent protection	-
	Overvoltage protection	-
	Remote control	-
	Remote sensing	-
	Other	-
Operating temperature / humidity		-
Adaptive standard	Safety standard	-
	Noise terminal voltage	-
	Harmonic current	-
Construction	External dimensions (W × H × D)	-
	mass	-
	Cooling method	-
Standard price (tax excluded)		-
Free compensation period		2 years
