Dell Technologies

Terms of Sale

(see aka.ms/windows11-spec).

*DELL'S TERMS AND CONDITIONS: apply to all sales available on request or at "Terms and Conditions of Sale" located at the bottom of our homepage at www.dell.com.au

 * Device comes with Windows 10 and a free Windows 11 upgrade or may be preloaded with Windows 11. The Windows 11 upgrade will

be delivered to qualifying devices in late 2021 to 2022. Timing varies by device. Certain features require specific hardware

GOODS BY DELIVERY ONLY: Dell Australia Pty Limited (ABN 46 003 855 561) is located at Unit 3, 14 Aquatic Drive Frenchs Forest NSW 2086. While the products advertised here are delivered direct to the customer, certain pre-configured and build to order products are

Smart Selection TERMS: Smart Selection products have an estimated delivery time of 2-3 working days from order confirmation for shipment to Sydney, Melbourne, Brisbane, Canberra, Wollongong and Newcastle. For all other locations estimated delivery times will

be longer. If your orders contains both a Dell system and accessories, these products may be delivered separately. In the event of your selected product being out of stock, we will supply you with product direct from our manufacturing facility and estimated delivery times will be longer.

ONLINE PRICING: Prices advertised online include delivery fees. Goods are supplied by delivery only. Limit 10 units per customer.

MISTAKES: While all efforts are made to check pricing and other errors, inadvertent errors do occur from time to time and Dell reserves the right to decline orders arising from such errors.

Intel SME Study Disclaimer: Based on a 2018 survey of small business owners in five countries. Details here intel.com.au/smestudy
*IDC Whitepaper "Optimizing Performance with Frequent Server Replacements for Enterprises" commissioned by Dell Technologies

and Intel, March 2021. Results are based on interviews with 18 IT practitioners and decision makers at midsize and large enterprises.

and a web survey of 707 IT practitioners and decision makers at midsize and larger enterprises using Dell Technologies server solutions across 7 industries.
