Global Use

## Upgrade your Innergie One For All

Fit in Innergie Intl. and Switchable adapters, let you charge all around the world.

**US**  
North America  
Japan, Thailand  
Taiwan

**UK**  
United Kingdom  
Singapore  
Malaysia

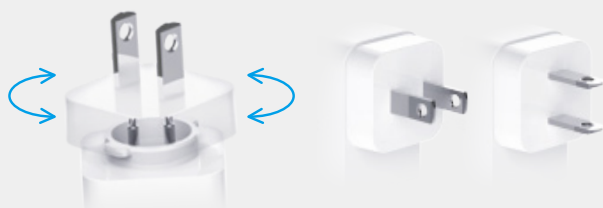

**AU**  
Australia  
New Zealand

**EU**  
Continental  
Europe

\* Country compatibility is not limited to the above.

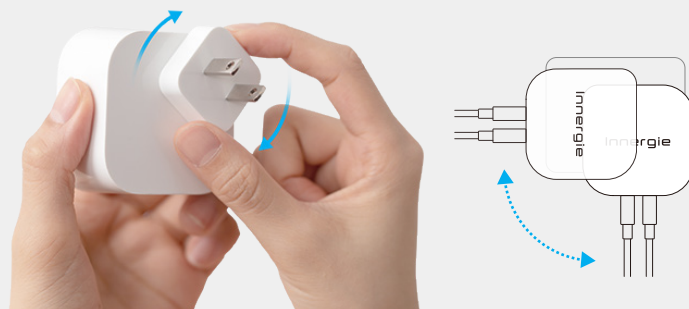

## Travel & Charging Convenience

4 travel plugs (US, EU, UK, and AU types) cover 150 countries charging needs. The patented dual-way installation allows altering adapter orientation to your preferences and even adapt to limited socket space.

## Plug Smart & Travel Light

Lighten your luggage and free the socket space. The two-angle click-in design changes the port position for easy access

**GreenSense™**

Innergie persists in quality and durability to extend the product lifespan. The longer a product lasts, the less e-waste appears.

**Warranty**

Innergie offers a 1-year warranty and thoughtful services on its cable product. Please register on the website.
