Innergie C6 (US)

USB-C Power Adapter

60W

Ultra Small & Travel Plugs
USB PD Fast Charge

A brand of 

Ultra Small & Powerful

The world's smallest and most versatile 60W USB-C power adapter with industry-leading 92% energy efficiency to power all your devices.

USB PD Fast Charge

The USB PD technology is an all-you-can-charge solution with five voltages of fast charge to power laptops, tablets, game systems, smartphones and more.

GaN Technology

The latest Innergie C6 adopts GaN technology and comprehensively boosts charging efficiency to over 91.5% in a small volume. The C6 lowers operating temperature by 5°C at full load charging compared to the previous generation (60C Pro).

GreenSense™

Innergie promises to conserve energy and protect the earth. We strive to optimize energy efficiency and realize our sustainable green energy concepts.

InnerShield™

Only Innergie products come equipped with such powerful protections, oaring a level of security no other devices can match.

Warranty

Innergie offers an industry-leading 3-year warranty and thoughtful services on its premium product. Please register on the website.
