FH Series > FHG-SX

AC入力 シングル出力

|                 |                            |
|-----------------|----------------------------|
| Output Power    | 600W                       |
| Input Voltage   | 85 ~ 264V                  |
| Dimensions (mm) | 130W × 200L × 93H (2.86kg) |
| EFFICIENCY      | 5V76%24V84%                |

Safety Approval

|                                                                                     |                 |
|-------------------------------------------------------------------------------------|-----------------|
|  | UL60950-1       |
|  | CSA60950-1      |
|  | CE              |
|                                                                                     | SEMKO:EN60950-1 |

Environment (RoHS)

FH SERIES Features

- ◆ Wide Range Input (AC85-264V)
- ◆ 2 Parallel Operation Terminals (300W)
- ◆ PFC to Meet IEC61000-4-3
