Surge Protectors

Protect It!™ Economical

Surge Suppressors

- 15A, 120V
- Housing color Gray
- High impact plastic housing
- UL1449 3rd Edition (AC Suppression)
- UL1449 3rd Edition
- Super7TEL15 includes fax/modem surge protection

TRIPP-LITE
POWER PROTECTION

Application: Protect electronic equipment, computers, workstations, printers, peripherals from surge damage.

Isobar® Premium Surge Suppressors

- Isolated banks of receptacles eliminate interference between connected equipment, reducing data errors and audio/video signal distortion
- Heavy-duty, all-metal housings
- ISOTEL6ULTRA includes 2-line modem/fax protection
- Three diagnostic LED's

Application: Protect test equipment, copiers, fax machines, computers, workstations, monitors, printers and business equipment against damaging surges and disruptive EMI/RFI line noise.

Uninterruptible Power Supplies

UPS Systems

HOW GREEN OUTLET TECHNOLOGY WORKS

The ECO-UPS System connects to your computer's USB port. When your computer shuts down or enters standby, the UPS waits three minutes to make sure your computer is not rebooting or temporarily unable to communicate, then Green Outlet technology automatically cuts power to the designated energy-saving outlets.

Features:

- All models have a black case with 6' cord and are 120VAC/60Hz/10A
- 350VA – 850VA
- Green Outlet™ Technology
- Up to 99% Efficiency
- Protection from Blackouts, Phantom Loads, Surges & Line Noise
- Tel/Modem Line Protection
- LCD Status Screen (Select Models)
- The SPIKECUBE Surge Suppressor is a direct plug-in suppressor providing protection on one AC outlet. Its small size makes it ideal for protecting laptop computers, projectors and other portable electronics.

Job-Site Lighting

LED Corded Work Lights

Repair Lighting and Indoor Use

0762596:

- 30 Super-Bright Premium White LEDs
- Curved Chrome-Plated reflector focuses the light intensity on work area
- 25' 18/2 SJTOW cord remains flexible in cold weather and is oil & grease resistant
- Soft PVC Handle and top-cap
- Superior Impact Protection
- 360-Degree rotating hook
- Fully enclosed safety switch

0762600 & 0762603:

- Super-Bright Premium White SMT LEDs
- ABS handle with double injection molding
- Impact Protection and ergonomic design provide comfortable use
- 25' 18/2 SJTOW cord remains flexible in cold weather and resistant to oil & grease
- Shatterproof lens
- Ratcheting dual 360-Degree swivel hooks for hanging versatility
- Detachable magnetic holder as an option included
