Description

### Product information "Primary adapter FOX system"

The easy-to-use, interchangeable primary adapters for FRIWO's adapter systems make it possible to use products globally and can result in considerable reductions in the cost of logistics. The company's IP42 splash-proof adapters featuring IP42-certified splash protection, which are available from FRIWO for the FOX system, are a particular highlight. The IEC adapter (IEC320 C8) off ers a standard alternative for countries with different power plugs.
