

CAT. N° 3 100 46

## LINE INTERACTIVE UPS - RACK/TOWER - 1500 VA - 1350 W

Pack (number of units)	1
Volume (dm <sup>3</sup> )	67,16
Weight (g)	23 170,00

### Product characteristics

#### UPS with IEC sockets

- The stated backup time in minutes is estimated and may vary according to the load characteristics, operating conditions and environment
- Nominal power: : 1500 VA
- Active power: : 1350 W
- Backup time: : 8 min
- No. of sockets IEC (10 A/16 A): : 8 / -
- Communication ports: : USB-RS232

### General characteristics

#### Keor Line RT - Line interactive UPS (rack/tower) - single phase VI-SS

- Sinusoidal output
- Convertible display for tower and rack configurations
- Advanced control interface
- Remote emergency shutdown
- Microprocessor control
- MODEM/LAN telephone protection
- RS-232 or USB interface
- Cold start function. Protection against voltage peaks. Integrated self-diagnostics
- Intelligent battery management
- Overload and short-circuit protection. Excellent voltage regulation
