Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Distributor box header, application: Standard, connection method: M8 socket Metal, number of slots: 4, number of positions: 3, coding: A, slot assignment: single, status display: yes, PNP; master cable connection: Plug-in master cable connection 180°, shielding: no

Your advantages

- · Safety in the field, thanks to molded housing and high degree of protection
- · Convenient: increased machine availability thanks to quick and easy diagnostics
- · Flexible: distributor box with connector hood for on-site assembly

Commercial data

Item number	1197599
Packing unit	1 pc
Minimum order quantity	1 pc
Sales key	BF40
Product key	AF3BCD
GTIN	4063151258009
Weight per piece (including packing)	102 g
Weight per piece (excluding packing)	96 g
Customs tariff number	85444290
Country of origin	DE

Technical data

Notes

Assembly note	NOTE: Observe the permissible bending radii when routing cables, since the degree of protection may be at risk if the bending forces are too high. Reduce mechanical loads upstream of the connector, e.g., by using cable ties.
Note on application	Unused slots are to be sealed off prior to commissioning. Suitable sealing elements are to be found under "Accessories".

Product properties

Product type	Header with metric measurement slots
Application	Standard
Number of positions	3
Number of slots	4
Coding	A
LED	yes

System properties

Local diagnostics

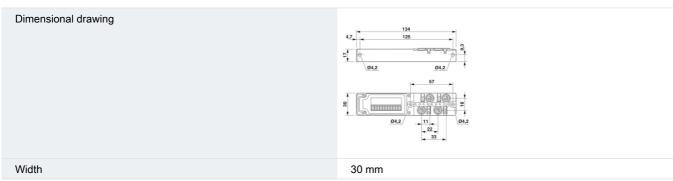

Monitored function	Supply voltage
Optical representation	Green LED

Electrical properties

Max. operating voltage U _{max}	30 V DC
Local diagnostics	Supply voltage Green LED
	Status display I/O Yellow LED
Nominal voltage U _N	24 V DC
Rated current, total	8 A
Max. current carrying capacity per path	2 A
Current carrying capacity per slot	2 A

Signaling

Dimensions
