Product Support Product FAQs Product Registration

Product Overview	Technical Specifications	Ratings & Reviews
MGE Galaxy 9000 Features & Benefits		
Availability		
High availability architecture	Different running modes : hot stand-by, integrated parallel, or centralized static switch for multi-modules leading to availability architectures	
Manageability		
Large tactile color display	Easily navigate to critical system information and line/load data.	
Compatibility		
Output synchronization to external source	UPS systems can be synchronized with any other independent source for use with downstream static transfer switches.	
Parallel capability	Multiple units can be placed in parallel to meet power capacity and redundancy requirements	
Sustainability		
EU CoC for UPS	Ensures that UPSs sold in the EU are highly efficient
