Back-UPS RS 1000VA

Discontinued : recommended replacement product [BR1200](#)

Product Overview	Technical Specifications	Documentation	Software & Firmware	Ratings & Reviews
BR1000 Features				
Back-UPS RS 1000VA				
High Performance Battery Backup & Protection for Business Computers				
Includes : CD with software , Cord Management Straps , Telephone Cable , USB cable , User Manual				
Back-UPS RS Features & Benefits				
Manageability				
Intelligent battery management	Micro-processor controlled battery charging and diagnostic testing ensures maximum battery life.			
Adjustable voltage-transfer points	Maximizes useful battery life by widening the input voltage window or tightening the output voltage regulation.			
Adjustable voltage sensitivity	Provides the ability to adapt the UPS for optimal performance in specific power environments or generator applications.			
Protection				
Power conditioning	Protects connected loads from surges, spikes, lightning, and other power disturbances.			
Safety-agency approved	Ensures the product has been tested and approved to work safely with the connected service provider equipment and within the specified environment.			
Battery-protected and surge-only outlets	Reserves power capacity and run time for connected equipment that require UPS battery back-up while providing surge only protection for less critical equipment			
Convenience				
User-replaceable batteries	Increases availability by allowing a trained user to perform upgrades and replacements of the batteries reducing Mean Time to Repair (MTTR)			
Transformer-block spaced outlets	Protect equipment with input transformer blocks without blocking access to other receptacles.			
Resettable circuit breakers	Enables a quick recovery from overload events.			
Hot-swappable batteries	Ensures clean, uninterrupted power to protected equipment while batteries are being replaced			
Audible alarms	Provides notification of changing utility power and UPS power conditions			
Automatic self-test	Periodic battery self-test ensures early detection of a battery that needs to be replaced.			
Automatic restart of loads after UPS	Automatically starts up the connected equipment upon the return of utility power.			

shutdown	
Battery replacement without tools	Enables fast battery replacement, lowering Mean Time to Repair (MTTR).
LED status indicators	Quickly understand unit and power status with visual indicators.
Cold-start capable	Provides temporary battery power when the utility power is out.
Marketing Features	
LED status indicators	Quickly understand unit and power status with visual indicators.
Power conditioning	Protects connected loads from surges, spikes, lightning, and other power disturbances.
Boost and Trim Automatic Voltage Regulation (AVR)	Automatically corrects low and high voltage conditions, allowing you to work through brownouts and overvoltages without discharging the battery. This saves battery life, increases uptime, and improves your productivity.
Safety-agency approved	Ensures the product has been tested and approved to work safely with the connected service provider equipment and within the specified environment.
Battery-protected and surge-only outlets	Reserves power capacity and run time for connected equipment that require UPS battery back-up while providing surge only protection for less critical equipment
Lifetime data recovery warranty	Provides peace of mind by providing professional data recovery services in the event data is lost due to the failure of the unit.
Serial connectivity	Provides management of the UPS via a serial port.
USB connectivity	Provides management of the UPS via a USB port (not available on all models).
Product Distribution	
Antigua and Barbuda , Anguilla , Netherlands Antilles , Argentina , Aruba , Barbados , Bolivia , Belize , Canada , Chile , Colombia , Costa Rica , Cuba , Dominican Republic , Ecuador , Falkland Islands , Guatemala , Guyana , Honduras , Jamaica , Mexico , Nicaragua , Panama , Peru , Puerto Rico , Paraguay , El Salvador , Trinidad and Tobago , United States , Uruguay , Venezuela , U.S. Virgin Islands
