

### Main

|                           |                           |
|---------------------------|---------------------------|
| Range of Product          | Hyde Park                 |
| Sensor Type               | Ultrasonic sensor         |
| Series name               | Standard format           |
| Device short name         | SM860                     |
| Sensor design             | Cylindrical Ø 12 mm plain |
| Material                  | Stainless steel           |
| [Us] rated supply voltage | 12...24 V DC              |
| [Sd] sensing range        | 3.333 ft (1.016 m)        |
| IP degree of protection   | IP67                      |

### Complementary

|                               |                    |
|-------------------------------|--------------------|
| [Sn] nominal sensing distance | 3.333 ft (1.016 m) |
| Type of sensing window        | Fixed              |
| Condition of use              | Thru beam          |

### Environment

|                        |    |
|------------------------|----|
| Product Certifications | CE |
|------------------------|----|

### Ordering and shipping details

|                   |                |
|-------------------|----------------|
| Category          | US10DS222490   |
| Discount Schedule | 0DS2           |
| GTIN              | 03389119111997 |
| Returnability     | No             |

### Packing Units

|                              |     |
|------------------------------|-----|
| Unit Type of Package 1       | PCE |
| Number of Units in Package 1 | 1   |

### Offer Sustainability

|                           |                                                                                                                                                                                                                                                                                                                                                                                   |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
