

Protect It! 8-Outlet Surge Protector, 8 ft. Cord with Right-Angle Plug, 1440 Joules, Diagnostic LEDs, Light Gray Housing

MODEL NUMBER: TLP808

Safeguard your computer, printer, scanner, router, modem and other small home electronics against dangerous surges, spikes and line noise.

Description

Perfect for your home or office workstation, the TLP808 Protect It!® 8-Outlet Surge Protector features a surge protection rating of 1440 joules to defend your sensitive electronic components against strong surges and spikes.

Because residential power outlets have three wires—hot line (H), neutral (N) and ground (G)—the TLP808 protects all three, covering the two protection modes: full normal mode (H-N) and common mode (N-G/H-G). It also filters out electromagnetic interference (EMI) and radio frequency interference (RFI) that can disrupt your electronics and inflict hardware damage or data loss.

Your devices plug into eight NEMA 5-15R outlets, three of which are widely spaced to accept bulky transformers without blocking adjacent outlets. Sliding safety covers block accidental contact with unused outlets. An integrated 15A circuit breaker protects all outlets and shuts down connected equipment in case of overload. The lighted on/off switch provides one-touch control over connected equipment. Diagnostic LEDs confirm your wall outlet is properly grounded and your connected equipment is protected. The eight-foot (2.4-meter) AC power cord allows the TLP808 to reach distant outlets, while its right-angle NEMA 5-15P plug allows furniture and equipment to be moved flush against the wall to save space in your workstation. Keyhole slots incorporated into the bottom panel provide convenient wall or desk mounting options for the light gray plastic housing.

Highlights

- 8 NEMA 5-15R outlets, including 3 for bulky transformers
- 1440-joule surge protection rating
- Filters out threatening EMI/RFI line noise
- 15A resettable circuit breaker prevents dangerous overloads
- 8 ft. AC power cord with rightangle NEMA 5-15P plug

Package Includes

- TLP808 Protect It! 8-Outlet Surge Protector, Light Gray Housing
- Owner's manual

retardant plastic case provides extra safety and durability
