#### AC/DC Adapters

From medical instruments, scanner, LAN, to Notebook PC, UMEC has developed a complete series of switching adapters to supply these system products. Also, UMEC has been developing new adapters for internet products, multi-media, PC, and communication products. UMEC will provide its best service to customer with high quality, and technical products all the time to meet requirements of various customers.

#### Features:

- Universal 90~264VAC input
- 8W to 65W output power
- 5V to 48V output voltage
- Single, dual & triple output
- Wall mount & desk top

Battery charger, DC-DC adapter & Custom designed available upon-request If you would like to receive the datasheets by Fax together with a quotation, please send an E-MAIL [umecsales@umec-usa.com](mailto:umecsales@umec-usa.com)
