

## Power to Desk Solutions

### Desktop Power with USB/Data in White

Part No: VID0333

[View Online](#)

The white addition to the On Desk range is designed to complement the increasing popular white office design.

6C cut-outs can be populated with data or multimedia.

Manufactured from a tough ABS plastic extrusion, the same key components from the established and reliable under desk product range are used on the desktop to maximise the system performance.

Each unit comes with a pair desk clamps or sticky pads to fix onto the desktop.
